FROM

C. E. SURYANARAYANA RAU, ESQ., MEM., A.I.M.E., ETC.,
Chief Inspector of Mines and Explosives in Mysore.

To

M. Venkatanaranappa, Esq., B. A.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Department, Bangalore.

Sir,

With reference to my impending retirement from Government service, it may be superfluous for me to say, that under ordinary circumstances following my retirement, the present Inspector, Assistan Inspector and Junior Inspector of Mines will automatically become Chie Inspector, Inspector and Assistant Inspector respectively. There are two Junior Inspectors now and the senior of the two Mr. J. P. David wil become the Assistant Inspector.

This officer has been drawing the maximum salary of his grade viz, Rs 250/- from 10th November 1932 for want of chances of further promotion, although the total period of his service is the same as that of his co-workers. In the meantime the grade of the Assistant Inspector of Mines was revised and reduced from 250-25-450 to 200-40/2-400.

In the natural course of events when he is appointed as Asst. Inspector of Mines in the new grade he will have to wait for another four years before he can earn an increment to exceed the salary he is now drawing and this indeed is very prejudicial to his interests. He has submitted a representation explaining the facts of his case in detail, a copy of which is enclosed for reference.

As the old grade cannot be restored for obvious reasons I recommend that he may be started on Rs.280/- as a special case as he richly

richly deserves it for the good work he has been doing in the Department.

I have the honour to be,
Sir,

Your most obedient servant,

C E Srinivasagowda

Chief Inspector of Mines &
Explosives in Mysore.

Md.S.

TO

THE CHIEF INSPECTOR OF MINES AND
EXPLOSIVES IN MYSORE,
OORGAUM, KOLAR GOLD FIELD.

Sir,

I beg to submit the following facts regarding my salary for your kind consideration.

I was appointed as a Probationer in the Geological Department from 8-9-1920 as per Government Proceedings No.G.5303-7/Geol.60-19-4 dated 6th September 1920 and on the termination of my two years' Probationership I was appointed as "Special Assistant,", Mysore Iron Mines, in the grade of a Sub Assistant Geologist, Rs.125-25/2-250 plus a duty allowance Rs.50/- a month from 8th September 1922 as per Government Order No.I.C.3092/I.W. 39-23-2 dated Bangalore 6th November 1923. From 8th September 1924, I drew Rs.150/- in the above grade with a duty allowance of Rs.50/- a month. The Comptroller would not allow me the 2nd increment from 8th September 1926 on the score that I was purely an employee of the Mysore Iron Works. Then I applied to the Mysore Iron Works for the sanctioned increment as a result of which in September 1927 my salary was consolidated at Rs.225/- a month and in September 1928 I was given an increment of Rs.25/- I continued to draw Rs.250/- a month till 10th November 1930 when I was transferred to the Mines Department, Kolar Gold Field on Rs.225/- a month as per Government Order No.D.4455-7/Geol. 105-19(29)-8 dated Bangalore 28-10-1930. The Comptroller sent me a Pay Slip No.61/G.A.D. dated 16-11-1932 authorising me to draw Rs.250/- a month from 10th November 1932. This salary I have been drawing for the last four years.

The grade of the Assistant Inspector of Mines has been reduced from 250-25-450 to Rs.200-40/2-400. If I am appointed as an Assistant Inspector of Mines, I may have to wait for 4 years

years to earn an increment to exceed the salary I am drawing now. This will be a very hard hit for me.

My family responsibilities are increasing day by day and I find it hard to make both ends meet. Under the circumstances, I beg to request you to kindly move the Government to make the old scale 250-25-450 to hold good or start me on Rs.320/- in the present scale as a special case for which act of kindness I will be ever grateful to you.

I beg to remain,

Sir,

Your most obedient servant,

JUNIOR INSPECTOR OF MINES.
